

LLOYD'S

A large cargo aircraft is the central focus of the image, shown from a low angle. The aircraft's white fuselage and grey wings are prominent. A large, red and orange striped cargo net is draped over the wing. A white scissor lift truck is positioned under the wing, with its platform raised to support a large, white, rectangular cargo container. The background shows a clear sky and airport buildings. The overall scene is brightly lit, suggesting a clear day.
